Coping with behaviour through role play

Gedragsgenerator

A training on how to cope with changing and/or challenging behaviour through role play.

Duration

Around 2 hours.

Materials

- Microphones/headsets (large group)
- Computer and beamer
- Sound system
- Pen and paper for each participant

Facilities

- Various locations (indoor)
- Trainers come at location: location responsible for chairs, accessibility, parking, coffee and tea

Goodbye

Evaluation with the participants and saying thankyou and goodbye.

Tips

- Be respectful and use humor.
- Don't just talk, but show what it is about.
- Gather stories and experiences from participants.
- Be flexible and dare to experiment.
